STAT

Thank you very much for your letter of 24 October and its inclosures. I find them very interesting, and, if you get any more, would you please be so good as to send them on?

I am sorry that the position about which I spoke to you some time ago has not materialized, but, as you know from the details, it was more or less out of our hands. However, I am still looking around, and I hope to get in touch with you in the very near future about something else.

Again with thanks, believe me,

Sincerely,

Dear Admiral Hillenkotter:

The enclosed memo. reached me last night from one of our friends abroad who has a high record of accuracy in his reports during the war.

You probably are already aware of these facts, and may have received this memo. as copies of it were given yesterday to Mr. Geo. Kennan and Mr. Samuel Reber of the Department of State.

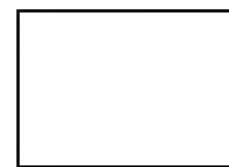

However, this may facilitate your having the information.

*Very sincerely*
